- Target date/times apply to DIRECT freight shipments only. See forms in kit for other deadlines.

- When scheduling other services (labor, electrical, etc.) please be aware of your freight delivery and schedule accordingly.
- Exhibitors do not need to be in their booth for delivery, or be prepared to install their exhibits.

- Warehouse shipments will be delivered the day BEFORE the direct target date if your target time is by 8am. If you have a target time AFTER 8am your warehouse shipment will be in the booth by your target time. Shipping to the advance warehouse is the best option to maximize your move in time.
